

# CENIUM

## **FOR IMMEDIATE RELEASE:**

**Cenium is Honored to Announce, Choice Hotels in Scandinavia, Their Customer, as Recipient of the Overall Customer Excellence Award by Microsoft -- Convergence 2008 Copenhagen Denmark November 18<sup>th</sup>.** This Award recognizes, honors and celebrates customers who have achieved outstanding success with their Microsoft solutions as well as Microsoft partners' solutions. Cenium's software solutions for the Hospitality Industry have been successfully installed in over 160 of the Choice Hotels throughout Scandinavia on Microsoft Dynamics NAV enterprise software.

Choice Hotels and its partner Cenium, will be formally recognized at a reception scheduled for Wednesday, 19 November, 17:30-19:30 in Hall B3, 1<sup>st</sup> Floor of the Bella Center during Microsoft Convergence 2008 in Copenhagen.

Cenium has completed an implementation of its solution in a completely hosted environment in virtually every key business area of Choice Hotels, Scandinavia, including: Property Management/Lodging, Web Bookings, Sales and Catering, Spa and Appointment, Point of Sales, Energy Management, Revenue Management and Staff Management. All these modules are developed and embedded in Microsoft Dynamics NAV which provides an enterprise class solution that includes Financials and CRM.

"We are pleased to share this award with Choice Hotels, Scandinavia. It is proof and validation that the Cenium solutions are innovative and provide significant benefits to the Hospitality Industry" states Klaus Hatle, CEO of Cenium AS. "We have always felt that we have a revolutionary software solution and with this award recognition from Microsoft, are confident our global expansion initiative will be a great success. We look forward to our continued partnering with the Microsoft and Dynamics solutions and further excellence and innovative solutions in the future."**ABOUT CENIUM** - Cenium AS is an Oslo based company with offices in Norway, the UK, and North America. With its worldwide partner network, Cenium specializes in Microsoft Dynamics for the Hospitality Industry. Please take a look at the [Choice Hotels Video](#) for further illustration of how Cenium deployed its solutions using Microsoft Dynamics NAV in Choice Hotels to run its business.
