

## Trygve Olav Rønningen Becomes CEO of Cenium AS

**(Oslo, February 10, 2011) Cenium AS has signed a contract of employment with its new CEO, Trygve Olav Rønningen. He joins Cenium having worked in the USA for more than 20 years. Rønningen will now lead development of Cenium's unique solutions for the hospitality industry and assure the company's further international expansion. Rønningen will start in his new position in March, 2011.**

"Rønningen has extensive experience in sales, implementations and development, leading corporations within our industry. He brings an extensive international perspective of our business. Cenium's development over the last several years has impressed me. Now I am looking forward to follow the work of Rønningen in developing and realizing the potential in Cenium's unique solutions" said Bente Rathe, Chair of Cenium AS.

Trygve Olav Rønningen, since 2007, has lead North American activity in the search-engine company FAST/ Microsoft. He has a long standing career with IFS, where his duties included Sales and Marketing, Implementation and Development in one of the leading companies in the ERP (Enterprise Resource Planning) industry. Rønningen has been a resident of USA since 1997.

"Cenium is a company with high expectations of growth and global expansion. We have invested huge resources in its development. In order to continue this enterprise, we need someone who can transform dreams into reality. Rønningen is the right person for this job. I am proud to have Rønningen at the helm when this takes off." said Petter A. Stordalen, Owner and Chair of Nordic Choice Hotels.

Cenium is a leading global technology company within the hospitality industry. Cenium's products are based on the Microsoft Dynamics ERP platform. The company develops, implements and supports the software. Cenium has a strong international growth plan and has recently entered into an important contract with a prominent Las Vegas casino group, who within the next few years will establish a series of hotels across the globe.
